**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't mess with competitive carriers. Don't allow the big companies to remove the last little competition that still exists. In my area I only have Comcast that can provide true broadband. I live in a quite large area yet AT&T refuses to upgrade the lines to provide true broadband. But with Sonic having access to the lines, I am getting better quality and higher speeds than At&t offered me.
